Information Systems graduate from Universitas Pembangunan Nasional "Veteran" Jakarta with a GPA of 3.86/4.00. Experienced in developing a web-based sales management information system during an internship at PPM Manajemen. Familiar with relational database structures, SQL querying, data integration, and system testing using Business Intelligence tools.

WORK EXPERIENCE

PPM Manajemen — IT Business Partner Intern

March 2025 – July 2025 | Jakarta, Indonesia

- Developed a web-based sales management information system prototype for the Assessment Division under the general guidance of the internship mentor.
- Translated user requirements and existing sales processes into application features and database structures.
- Designed relational database architectures and optimized MySQL queries to manage data integration across Pre-Add, Tender, and Dashboard modules.
- Tested application functions during development and presented the system prototype to users at the end of the internship.

EDUCATION

Universitas Pembangunan Nasional Veteran Jakarta - DKI Jakarta, Indonesia

Bachelor's Degree in Information Systems

Aug 2022 – Sep 2026

- Final GPA: 3.86/4.00
